Your tour

Arrive and start cycling – that is the motto of this short tour around Lake Constance. Without hectic and stress you cycle relaxed once around the largest part of Lake Constance. Cycle comfortably through three countries in three days and immerse yourself in the Mediterranean flair of the Lake Constance region. Whether in Lindau in Bavaria, Bregenz in Austria, or somewhere else along the lake, there are plenty of opportunities to take a breather and stroll around. This short cycle tour on the Lake Constance Cycle Route is particularly suitable as a weekend cycle tour and for cyclists who have a rather short arrival at Lake Constance. Stages description

Day 1: Individual arrival in Constance, cycle tour to Lindau, approx. 50 km + ferry ride

Arrive in Constance by 10.00 a.m., drop off your luggage and get right on your bike. You cycle to the Constance district of Staad and from there take the car ferry to Meersburg. Enjoy the magnificent panoramic view of the Alps, the island of Mainau and the hilly hinterland. The ferry docks in the small medieval town of Meersburg. Take your time and visit the oldest inhabited castle in Germany. On flat paths you roll through Hagnau and Immenstaad to Friedrichshafen. The beautiful lakeside promenade offers many opportunities for a snack. Strengthened, a visit to the Zeppelin Museum is worthwhile, not only for technology fans. Your cycle tour continues through a nature reserve to Eriskirch and the beautiful little holiday resorts of Langenargen, Kressbronn and Wasserburg. Always with the Swiss Alps in view, you continue cycling through meadow orchards to your first stage destination. The island town of Lindau welcomes you with the Bavarian lion at the famous harbour entrance. Treat yourself to an ice cream on the beautiful promenade as the perfect end to your first day of cycling.

Day 2: Lindau – Arbon, approx. 50 km

You will reach Bregenz in Austria on flat paths. Since there are many opportunities for swimming along the shore, take the opportunity to jump into the cool waters of Lake Constance. In good weather, a trip to the local mountain Pfänder is also worthwhile. The Pfänder cable car will take you quickly and silently up to the mountain station. From up here you have a great view of Lake Constance and the Alpine peaks. After this excursion, your bike tour will take you further into Switzerland and the Rheindelta nature reserve. Afterwards you cycle towards your today's stage destination Arbon.

Day 3: Arbon – Constance, approx. 35 km and individual departure or extension of stay

From Arbon onwards, the cycle path runs mostly parallel to the lakeshore. Passing fruity, fragrant orchards, there is always the opportunity to take a break for a swim along this stretch. In Kreuzlingen you cross the border and leave Switzerland behind. In Constance, you can stroll through the lively old town, visit the harbour and the Imperia statue before picking up your luggage in the evening and starting your journey home. Of course, we are also happy to extend your weekend tour and book an extra night in Constance for you.
