Stages description

Day 1: Individual arrival in Constance, Constance – Unteruhldingen / Meersburg, approx. 25 / 30 km + boat trip

Once you arrive in Constance, bring your luggage to us before 10.00 a.m. so that you can start your holiday on Lake Constance straight away. If you have a longer journey to Constance ahead of you, we will be happy to book an extra night for you. Once on your bike, you roll along the shore of Lake Überlingen towards Wallhausen. If you like, make a stop at the flower island of Mainau: The huge playground is a true paradise for children. On the boat, you cross the lake to Überlingen. Some claim that it has the best ice cream on Lake Constance! After a scoop of ice cream, the next few kilometres roll along almost by themselves under your wheels. In Uhdlingen, you should definitely visit the pile dwellings. The lively exhibition about the people living on Lake Constance tens of thousands of years ago will not only thrill your children.

Day 2: Meersburg – Friedrichshafen, approx. 25 / 20 km

In Meersburg, make sure you take some time to stroll through the lovely old town. A guided tour of castle Meersburg is also a fascinating experience. Today's destination, Friedrichshafen, has a great Zeppelin Museum we can recommend visiting. It tells you everything there is to know about the history of these air ships.

Day 3: Friedrichshafen – Lindau, approx. 30 km

When you haven't visited the Zeppelin Museum so far, you should do that today! The way to Lindau goes by quickly, so you have more than enough time to check out the famous Zeppelin airships. Afterwards you cycle through Langenargen with its pretty Montfort Castle to the Bavarian town of Lindau, whose harbour is watched over by a 6-metre high lion.

Day 4: Lindau – Rorschach / Arbon, approx. 35 / 45 km

You should take your first break in Bregenz: The cable car lifts you up to the top of Mount Pfänder above Bregenz and the Lake Constance area. On top you cannot only enjoy the view but also say hello or „Servus“ like the Austrians to the animals at the petting zoo. Back on your bike you reach Höchst, where you soon cross the Swiss border, and reach Rorschach and a few kilometres further Arbon.

Day 5: Arbon – Constance, approx. 35 km and individual departure or extension of stay

From Arbon onwards, the cycle path runs mostly parallel to the lakeshore. Passing fruity, fragrant orchards, there is always the opportunity to take a break for a swim along this stretch. In Kreuzlingen you cross the border and leave Switzerland behind. In Constance, you can stroll through the lively old town, visit the harbour and the Imperia statue before picking up your luggage in the evening and starting your journey home. Of course, we are also happy to extend your weekend tour and book an extra night in Constance for you.
